PROFESSIONAL EXPERIENCE

Admin Executive, Tata Consultancy Services. Payroll - Core Integra **Aug 2023 - Present**

Administrative & Operations Management

- Managed end-to-end administrative operations, ensuring smooth day-to-day functioning of multiple centers.
- Acted as the Single Point of Contact (SPOC) for internal stakeholders, external vendors, and clients.
- Coordinated cross-functional teams to ensure operational efficiency and timely issue resolution.
- Maintained accurate records, documentation, and operational reports.

Facility & Infrastructure Management

- Oversaw facility maintenance, infrastructure readiness, and safety compliance.
- Conducted regular inspections to ensure proper functioning of utilities, IT systems, seating, and equipment.
- Coordinated with facility teams and vendors for preventive maintenance and quick issue resolution.

Resource, Vendor & Travel Management

- Managed vendor relationships, service agreements, and SLA adherence.
- Coordinated logistics including transportation, travel arrangements, and accommodation bookings for staff and stakeholders.
- Handled procurement and allocation of resources to optimize cost and operational efficiency.
- Ensured availability and maintenance of equipment and administrative supplies.

Compliance & Risk Management

- Ensured adherence to organizational policies, security protocols, and regulatory guidelines.
- Implemented procedures to safeguard data, prevent unauthorized access, and maintain operational integrity.
- Supported internal audits and compliance checks.

Exam & Event Operations

- Coordinated examination and assessment activities across centers, ensuring seamless execution.
- Liaised with candidates, invigilators, and support teams to maintain smooth processes.
- Monitored operations during exam sessions and resolved issues promptly.

Team Coordination & Process Improvement

- Trained and guided staff on operational procedures and standard protocols.
- Identified process gaps and implemented improvements to enhance efficiency and reduce costs.
- Generated MIS reports and shared performance insights with senior management for decision-making.

HR Admin & Safety Officer, Visteon Electronics India Pvt Ltd – Chennai (SRB & SFS Units)

Apr 2022 – Aug 2023

- Supported HR operations including onboarding, employee documentation, attendance management, and compliance tracking.
- Ensured adherence to EHS (Environment, Health & Safety) standards across plant and client-side operations.
- Conducted safety inspections, audits, risk assessments, and hazard identification.
- Delivered safety training sessions, toolbox talks, and awareness programs for employees and contractors.
- Investigated workplace incidents and implemented corrective and preventive actions (CAPA).
- Maintained statutory records, audit documentation, and safety reports for management review.
- Coordinated with department heads, contractors, and vendors to ensure operational and safety compliance
