

GURU BALAJI

✉ gurubalajibtechit@gmail.com ☎ +91-9080816001 📍 Madurai, Tamil Nadu

PROFESSIONAL SUMMARY

Fresh B tech graduate in Information Technology with a strong foundation in data analytics and automation testing. Proficient in Power BI for creating interactive dashboards and visualizations from Excel data. Hands-on experience with Selenium WebDriver, Cucumber BDD, and TestNG frameworks through academic projects and self-learning. Eager to launch my career and apply technical skills and analytical mindset to contribute to data-driven decision making and quality assurance initiatives in a dynamic organization.

PROJECT EXPERIENCE

- Key Project:** Business Intelligence Dashboard Development
- Technologies:** Power BI, Excel, DAX, Power QueryBuilt beginner-level **interactive Power BI dashboards** using Excel data to understand how business data can be visualized effectively.
- Created around **8-10 basic reports** using charts, tables, slicers, and filters to analyze sales data and simple business trends.
 - Used **Power Query** to perform basic data cleaning such as removing duplicates, handling missing values, and formatting columns.
 - Applied **basic DAX measures** (SUM, COUNT, AVERAGE, simple growth calculations) to display KPIs like total sales, monthly sales, and category-wise performance.
 - Practiced creating **simple drill-down reports** and page navigation to improve dashboard usability.
 - Worked with Excel datasets of around **10,000-20,000 records** to understand data handling and performance.
 - Designed dashboards with a focus on **clarity and readability**, choosing appropriate charts and layouts.
 - Gained understanding of how raw data is transformed into **visual insights for decision-making**.

EDUCATION

Bachelor of Technology in Information Technology, K.LN College of Engineering 2022
CGPA: 7.732/10

TECHNICAL SKILLS

Data Analytics Tools Power BI, Excel.	Automation Tools Selenium WebDriver, Cucumber, TestNG, Maven
Programming Languages Java	Testing Frameworks Page Object Model, Hybrid Framework
Build Tools & Reporting Maven, Extent Reports	

CERTIFICATIONS & TRAINING

Power BI Greens Technologies, Chennai	Selenium WebDriver with Java, Cucumber BDD Framework, TestNG Framework TestLeaf, Chennai	Core Java Programming JSpiders, Bengaluru
