EXPERIENCE

Content Writer - Springbord

October 2023 - September 2024

- Created and optimized high quality content for AI models, using advanced language models to ensure precision and clarity.
- Formulated content for several processes under AWS, including Image Captioning, VQA (documental & conversational), Multi-turn, and MCQ generation, evaluating prompt-response pairs for quality.

Content Writer (Freelance) - Ulamart

June 2020 - September 2021

- Worked on creating product descriptions and blogs using relevant keywords and engaging content, ensuring SEO visibility.

Internship on Copy-editing and Publishing — Emerald Publishers

May 2020

VOLUNTEER EXPERIENCE

Volunteer — U&I Trust

July 2017 - April 2018

- Tutored English to children around the age of 7-10 that involved interactive teaching methods, encouraging participation in the learning process.
