PROFESSIONAL SUMMARY

I am an SEO Executive with hands-on experience across the full SEO cycle, including keyword research, on-page optimisation, content optimisation, and basic technical SEO. I have worked on blogs and website pages to improve organic visibility, search intent alignment, and overall site performance. I am seeking a remote SEO role where I can contribute consistently while continuing to grow as a full-stack SEO professional.

EDUCATION

Madras University (M.A. Journalism) 2023 – 2025

Explored in-depth reporting, content creation, and media studies with a focus on journalistic ethics and digital storytelling.

Digital Scholar (Digital Marketing Certification) 2024 – 2025

Hands-on training in SEO, social media marketing, email marketing, and performance-driven content strategies with industry tools.

SRM University B.Sc Visual Communication 2019 – 2022

Specialized in visual storytelling, multimedia production, and creative writing for various platforms.

EXPERIENCE

Freelance SEO Content Writer Remote 2022 to 2024

- Assisted with keyword research and search intent analysis for blogs and website pages
- Optimised on-page elements including headings, meta titles, meta descriptions, and internal linking
- Supported basic technical SEO tasks such as identifying indexing issues and broken links
- Improved content structure to enhance crawlability and user experience
- Worked with teams to align content with SEO strategy and organic growth goals

Inventel (On-page SEO Content Writer (2-Month Contract) October 2024 to December 2024

- Created and optimised SEO-focused content for website pages and blogs
- Implemented on-page SEO best practices including heading structure and keyword placement
- Wrote and optimised meta titles and meta descriptions to improve click-through rates
- Assisted with internal linking and content optimisation tasks
- Followed SEO guidelines to support improved search visibility and performance

CAREER OBJECTIVE

To work remotely as an SEO Specialist, contributing across core SEO functions while developing deeper expertise in how SEO is changing with AI-driven search systems. My goal is to build a long-term career as an SEO specialist grounded in fundamentals and adaptable to future search trends.

SKILLS

- Keyword Research and Search Intent Analysis
- On-page SEO Optimisation
- Content Optimisation and Internal Linking
- Technical SEO Basics (indexing, crawlability, broken links)
- Meta Title and Meta Description Optimisation
- Heading Structure and URL Optimisation
- SEO Audits (basic level)
- Competitor Analysis
- Google Search Console (basic)
- Google Analytics (basic understanding)

CERTIFICATIONS

- Digital Scholar - (2024)
- Udemy Seo Certificate (2024)
- SEMRUSH (2024)
