EXPERIENCE

Precision Profile India PVT LTD — Finance Intern

1st Feb 2025 - 30th April 2025

- Tracked and analyzed cost routing of job movements from profile processing to final output to identify cost accumulation and inefficiencies.
- Calculated the monthly cost incurred by each department (Profile, Fabrication, Machining) and prepared cost center reports for internal use..
- Developed Tableau dashboards to visualize customer-wise performance, including sales contribution, profit margins, and cost-to-serve metrics.
- Supported the finance lead in preparing variance reports for budget vs. actuals and recommending corrective actions.

Krishna Buildmart PVT LTD — Finance Intern

1st July 2024 - 30th July 2024

- Assisted in financial analysis of dealership processes for leading brands like Ashirvad, Kajaria, Kohler, and Jaquar
- Collaborated with finance and operations teams to streamline reporting processes and improve data accuracy.
- Reviewed supplier invoices and payment schedules to ensure timely and accurate financial settlements.
- Utilized advanced Excel functions for data cleansing, pivot tables, and financial modeling

PROJECT

Title: Evaluating 5S Implementation for Productivity Improvement and Waste Reduction in Precision Profile India

- Applied the 5S methodology (Sort, Set in order, Shine, Standardize, Sustain) to improve operational workflow and workplace efficiency.
- Identified and removed non-value-adding activities, resulting in reduced material waste and optimized space utilization.
- Supported cost analysis to assess the financial impact of 5S practices on inventory handling and storage efficiency.
- Contributed to reducing unnecessary expenses by streamlining processes and enhancing resource usage.
- Maintained 5S performance through regular audits, visual management tools, and sustainability checklists.

EXTRA-CURRICULAR ACTIVITIES

- Organized finance quiz and GD sessions at college.
 - Volunteered in college events and fest coordination.
 - Participated in inter-college business competitions.
 - Member of the placement and student coordination team.
 - Attended webinars on financial markets and analytics.
-
