Experience

• HSBC Volunteer Co-ordinator - Internship

August 2023

Ennovate Global,Chennai

Served as a liason officer in a CSR activity in support with HSBC partner Ennovate Global,it was a great exposure to be associated with HSBC-Ennovate Global for an important cause to be achieved through fun and team work

• KBM Tax Consultant Trainee - Internship

January 2024

I had the privilege of worked as a trainee at (KBM Tax consultant), where I gained experience in auditing softwares like Tally prime and TallyERP9. I contributed to audit engagements, examining financial records and ensuring compliance with regulations. Working closely with senior auditors, I developed strong analytical and detail-oriented skills, preparing me for a career in auditing.

• Teleperformance Process - semi-voice process

Exp 7 Months

I Handled both chat and limited voice-based customer interactions, assisting customers with queries related to Vodafone Idea services, plans, and billing. I accurately logged and updated customer issues in internal systems, ensuring clear documentation. By providing quick and effective solutions, I aimed to maximize customer satisfaction. I also followed up on unresolved issues to ensure timely resolution and consistently maintained quality and productivity targets as per company standards.
