Placement Coordinator Cum HR. Executive

WHY Global Services

September

2023 - April

Roles and Responsibilities:

2025

A Placement Coordinator cum HR Executive is responsible for overseeing and coordinating the recruitment and placement activities within an educational institution, training center, or company's placement cell. They act as a bridge between students or job seekers and potential employers, ensuring successful job placements.

Responsibilities:

1. Student/Job Seeker Engagement:
 - Guide students or job seekers on career paths, available opportunities, and skill requirements.
 - Review and assist with resume building, cover letters, and interview preparations.
2. Employer Engagement:
 - Develop and maintain relationships with companies to secure placement opportunities.

5. Problem-Solving & Negotiation:

Ability to resolve conflicts between students and employers regarding job roles, salaries, or offers. Skilled at negotiating employment terms and conditions beneficial for both parties.

6. Data Management & Reporting:

Proficiency in maintaining databases and using placement management software. Analytical skills to prepare detailed reports on placement outcomes and industry trends.

7. Motivational & Mentoring Skills:

Ability to motivate and guide students toward their career goals. Skilled in providing constructive feedback and mentoring students on employability skills.

8. Technical Skills: Proficiency in using software like Microsoft Office, CRM systems, and database management tools. Familiarity with online recruitment platforms and job portals.

- Coordinate campus recruitment drives and employer visits.
- Negotiate job roles, salaries, and other employment terms with prospective employers.

3. Placement Strategy Development:

- Develop a placement strategy aligned with students' career goals and employer needs.
- Set up placement goals and ensure they are met within timelines.

4. Event Coordination:

- Plan, organize, and execute campus placement drives, job fairs, and recruitment events.
- Ensure seamless coordination between students, employers, and faculty during placement activities.

5. Database Management & Reporting:

- Maintain an updated database of potential employers, alumni, and students.
- Track placement statistics and create detailed reports on placements, offers, and packages.
- Prepare feedback reports from employers to improve training and development efforts.

Staffing Process:

Roles and Responsibility:

1. Workforce Planning – Analyzing staffing needs and forecasting future requirements.
2. Job Posting and Advertising – Creating and managing job postings across platforms.
3. Candidate Sourcing – Identifying and attracting qualified candidates.
4. Screening and Shortlisting – Reviewing resumes and conducting initial assessments.
5. Interview Coordination – Scheduling and facilitating interviews with hiring managers.

6. Selection and Hiring – Managing the final selection process and job offers.

7. Onboarding – Ensuring smooth integration of new hires into the company.
