

OBULI MANIKANDAN S

Sri Sairam Engineering College
Chennai

ABOUT ME

A highly motivated and detail-oriented Computer Science Engineering student with a foundation in software development, problem-solving, and key technologies like Python and Cloud Computing. Eager to contribute to a dynamic team, acquire hands-on experience, and grow a successful career in the technology sector. Eager to apply technical skills and a passion for creating innovative IoT solutions in a challenging professional environment.

SKILLS

- Programming Languages: Python, C, C++
- Development : Python Full Stack (Javascript), AI Prompt Engineering,
- Tools & Design: Git, GitHub, LeetCode, VS code
- Professional Skills: Teamwork, Adaptability, Active Listening, Problem-Solving

PROFESSIONAL EXPERIENCE

- Data Science Analyst Intern (30 Days)
- Completed a comprehensive internship program focusing on foundational and advanced data Science analysis techniques and machine learning models to extract insights from datasets.
- Python Full Stack Developer Intern (15 Days)
- Engaged in an intensive program covering the core principles of full-stack development

PROJECTS

Action Sync: A Real-Time Edge-AI Framework for Coordinated Vehicle Tracking and Surveillance

- Collaborated with industry professionals on a real-time project focused on developing a sophisticated Edge AI framework..
- Gained hands-on experience in deploying and managing AI models on edge devices for low-latency, high-efficiency performance.

ACHIEVEMENT

- SAIRAM SIH SAIHACK FEST (supergigs)
- AI Prompt Integrated Developer with Python

CERTIFICATES

- NPTEL (Introduction to Industry 4.0 and Industrial) - 78% and Cloud Computing -80%
- Spoken Tutorial of IITB (Java and C++ basics)
- Actively engage in coding challenges on platforms like Leet code, SkillRack to sharpen problem-solving

EDUCATION

SSLC

Annai Violet Matriculation Higher Secondary School

10th std(2020) - 64%

Bharat Polytechnic College, Chennai

Diploma in Computer Science Engineering

Percentage: 85%

B.E. Computer Science (Internet of Things)

Sri Sairam Engineering College, Chennai

Expected Graduation: May 2026 Current

CGPA: 7.51/10.0

Language

- English: Professional Working Proficiency
- Tamil: Native Proficiency
