

Lekha Vaishali

8754581334 • lekhavaishali1010@gmail.com

Eight years of experience in the field of digital marketing with diverse skillsets and domain expertise in content writing. Involved in website content writing (webpages, landing pages, client stories, case studies, blogs, resource guides and more), social media posts, technical content, email content, and ad copies. Content calendar creation for SaaS-based organizations and maintained content repository. Knowledge in SEO, on-page/off-page optimization, backlinking and technical SEO. Familiarity with SaaS buyer journeys or outbound lead generation.

Experience

MAY 2023-SEPTEMBER 2025

Senior Content Writer | DigiSME | Chennai

Created blogs by understanding buyer persona and mapped topics to suit the marketing funnels (awareness stage, consideration stage and conversion stage). Increased blog traffic to 4,000+ monthly visits within 1.5 years for a brand-new website, contributing to 45% of total site traffic. Helped in creating B2B social media presence from scratch and grew the audience from 0 to 600+ followers on Instagram and 3,000+ followers on LinkedIn through consistent content posting. Familiarity with SaaS buyer journeys. Paid media copywriting (for platforms like Google, Meta, LinkedIn). Impactful, professional B2B content.

MARCH 2022 – APRIL 2023

Content Writer | Stan Ventures

Created SEO blogs for clients across the globe, especially for small and medium businesses in countries like the US, Australia and New Zealand. AI automation tools were used in the creation of content and visual elements for blogs. Blogs were optimized on-page and published in WordPress.

NOVEMBER 2019 – OCTOBER 2020

Maxsource Technologies [Content Writer – WFH]

Created social media posts for clients and worked in coherence with the team to execute email marketing campaigns. Created monthly content calendars for social media to align with brand goals. Handled posting in social media (Facebook, Twitter)

APRIL 2018 – MAY 2019

Iyanar Infotech [Content Writer]

Created blogs for SEO to improve client's website rankings. Recognized as the best performer for producing quality content.

JULY 2017 – APRIL 2018

Chandhni Infotech [Content Writer]

Developed SEO content and worked in tandem with the experts to create website content like home pages, About Us, product pages, blogs and landing pages.
