Profile

Results-driven Digital Marketer with 2+ years of experience, specializing in SEO and performance growth. Achieved 80% organic traffic increase, 2x growth in qualified leads, and top rankings for 30+ competitive keywords. Expertise includes building high-impact content strategies, improving website performance, and running targeted digital campaigns that strengthen brand presence and deliver measurable results.

Professional Experience

SEO Analyst- Digital Marketing, W2S Solutions 10/2024 – Present
Chennai, India

- GA & GSC Management: Set up tracking dashboards, monitored search insights, and identified opportunities to enhance organic visibility and user engagement.
- SEO Execution (On-Page & Off-Page): Improved meta structure, content quality, internal linking, and coordinated outreach efforts to strengthen overall search performance.
- Google Ads Optimization: Managed campaigns focused on strategic keyword selection, bidding efficiency, and A/B testing to improve ad relevance and cost-effectiveness.
- Social Media Campaigns: Executed targeted B2B campaigns across LinkedIn, Facebook, and Instagram to increase engagement and attract high-intent prospects.
- Content Strategy: Optimized blogs, landing pages, and website content to align with SEO objectives and support product positioning.
- Email Marketing: Created segmented email sequences aimed at improving engagement and driving meaningful actions from subscribers.
- Technical Enhancements: Collaborated with development teams to refine site speed, mobile experience, and structured data for stronger search compatibility.
- Analytics & Reporting: Used insights from GA to refine marketing activities, enhance user flow, and support strategic decision-making.
